

# Registration Categories

## Ophthalmologist of ICO Member Society

An ophthalmologist is a physician (doctor of medicine or doctor of osteopathy) who specializes in the comprehensive care of the eyes and visual system and in the prevention of eye disease and injury. Only those individuals who are a member of an ICO Member Society are eligible to register at the discounted rate.

## ICO Member Societies

Please make sure your membership dues are current to ensure your members receive the discounted rate. Make sure your payment is received in advance to allow ample processing time.

Includes: access to Subspecialty Sessions, Scientific Sessions, Opening Ceremony, Welcome Reception and Exhibit, Delegate Bag and Program Book, CMEs and/or Certificate of Attendance, Online Access to WOC2020 Abstracts.

## African Ophthalmologist

An ophthalmologist is a physician (doctor of medicine or doctor of osteopathy) who specializes in the comprehensive care of the eyes and visual system and in the prevention of eye disease and injury. African Ophthalmologists including Non-Members of ICO Member Societies are eligible to register at the discounted rate.

Includes: access to Subspecialty Sessions, Scientific Sessions, Opening Ceremony, Welcome Reception and Exhibit, Delegate Bag and Program Book, CMEs and/or Certificate of Attendance, Online Access to WOC2020 Abstracts.

## Non-member Ophthalmologist

A physician who specializes in the comprehensive care of the eyes and visual system in the prevention of eye disease and injury but is NOT a current member of an ICO Society. Individual must register as a non-member.

Includes: access to Subspecialty Sessions, Scientific Sessions, Opening Ceremony, Welcome Reception and Exhibit, Delegate Bag and Program Book, CMEs and/or Certificate of Attendance, Online Access to WOC2020 Abstracts.

## Scientist, Non-ophthalmologist Medical Doctor or Optometrist

Individuals who are PhDs, DVM, MBAs, educators, research scientists, optometrists, and physicians.

Includes: access to Subspecialty Sessions, Scientific Sessions, Opening Ceremony, Welcome Reception and Exhibit, Delegate Bag and Program Book, CMEs and/or Certificate of Attendance, Online Access to WOC2020 Abstracts.

## Resident

Physician enrolled in an accredited ophthalmology residency training program. The person must be in their residency either at the time of registration or the dates of the WOC (proof of residency status must be submitted at the time of registration).

Includes: access to Subspecialty Sessions, Scientific Sessions, Opening Ceremony, Welcome Reception and Exhibit, Delegate Bag and Program Book, CMEs and/or Certificate of Attendance, Online Access to WOC2020 Abstracts.

## Subspecialty Fellow

Physicians currently receiving training after their residency in a subspecialty of ophthalmology. The fellows must be in training at the time of registration or at the time of the WOC (proof of in-training status must be submitted at the time of registration).

Includes: access to Subspecialty Sessions, Scientific Sessions, Opening Ceremony, Welcome Reception and Exhibit, Delegate Bag and Program Book, CMEs and/or Certificate of Attendance, Online Access to WOC2020 Abstracts.

## Allied Eye Health Professional

Individuals who are orthoptists, ophthalmic assistants, ophthalmic technicians and ophthalmic medical technologists, healthcare administrators as well as ophthalmic registered nurses. Does not include commercial representatives (please refer to the exhibitor manual for registration options).

Includes: access to Subspecialty Sessions, Scientific Sessions, Opening Ceremony, Welcome Reception and Exhibit, Delegate Bag and Program Book, CMEs and/or Certificate of Attendance, Online Access to WOC2020 Abstracts.

## Medical Student

Individuals currently enrolled in a higher education institution leading to qualifications as a doctor of medicine. The individual must be enrolled and a student at the time of registration or the WOC dates (proof of student status must be submitted at the time of registration).

Includes: access to Subspecialty Sessions, Scientific Sessions, Opening Ceremony, Welcome Reception and Exhibit, Delegate Bag and Program Book, CMEs and/or Certificate of Attendance, Online Access to WOC2020 Abstracts.

## One-Day

Fee admits registrant to any of the WOC scientific sessions and the exhibit hall for the one day selected during the registration process. The one-day registration fee is the same for each day.

Includes: one day access to Subspecialty Sessions, Scientific Sessions and Exhibit, Opening Ceremony and Welcome Reception (if registered for June 26), CMEs and/or Certificate of Attendance for the registered day only.

## Exhibit Only One-Day

Fee admits registrant to the exhibit hall only for the one day selected and without access to the scientific sessions.

Includes: one day access to the Exhibit area only.

## Accompanying Person

Access for accompanying person is limited to the opening ceremony and the welcome reception on the first day of the Congress (June 26). Accompanying persons are non-ophthalmologists, non-scientists/doctors/ fellows /medical students, non-exhibitor/corporate employees in the field of ophthalmology and related fields, non-ICO society members who may be traveling with a congress delegate and who have no scientific or educational interest in the congress. Congress delegates' students, laboratory technicians, colleagues, past ICO society members, co-authors, etc., do not qualify as accompanying persons and are required to pay the appropriate registration fee if they wish to attend. Anyone who wishes to attend more than one day of the congress is considered to have more than a "personal" interest in ophthalmology and will be required to pay the appropriate fee.

Includes: Access to the Opening Ceremony and Welcome Reception on the first day of the Congress (June 26).
